PROFESSIONAL SUMMARY

BCA Honours student at Marian College Kuttikkanam Autonomous, currently in the 6th semester, with hands-on exposure to Python development, Data Science, Artificial Intelligence and data analytics. Completed an 8-week (240-hour) internship at IPSR Solutions Limited, gaining experience in Power BI, Python data analysis, machine learning, RAG-based chatbot development, Django and Generative AI. Interested in building practical software solutions and applying technology to real-world problems.

TECHNICAL SKILLS

Programming	Python, Dart, JavaScript
Web & App Development	HTML, CSS, Django, Flask, Flutter
Data & Analytics	Pandas, NumPy, Power BI, Tableau
AI & Machine Learning	Machine Learning fundamentals, SVM, KNN, NLP, RAG
Database & Tools	SQL, SQLite, SQLAlchemy, GitHub, Google Colab

INTERNSHIP EXPERIENCE

Data Science & Artificial Intelligence Intern | IPSR Solutions Limited
8 weeks · 240 hours · Completed 29 May 2026

- Used Power BI for data analytics and reporting.
- Performed data analysis and preparation using Python, NumPy and Pandas.
- Explored machine learning workflows using SVM and KNN algorithms.
- Gained exposure to RAG-based chatbot development, Django web development and Generative AI image creation.

PROJECTS

Student Task Manager | Flutter
Developed a student-focused app to create, update, complete and delete academic tasks, with multi-screen navigation and state management.

College Management System | Flask
Built a web application to manage student and teacher records using Flask, Flask-WTF, SQLAlchemy and SQLite.

Data Analysis Projects | Python
Cleaned, prepared, explored and visualized datasets using Python libraries to communicate findings through charts and summaries.

NLP Practical Work
Applied text preprocessing, tokenization, regular expressions, TF-IDF, POS tagging and text similarity techniques.

EDUCATION

Bachelor of Computer Applications (BCA) Honours | 6th Semester
Marian College Kuttikkanam Autonomous, Kerala
Academic interests: Artificial Intelligence, Machine Learning, Full-Stack Development and Data Analytics.
